

Happy Birthday!

Birthdays are a special time for all children. When it is your child's birthday, he/she will receive a birthday pencil from the teacher. The child will lead the morning meeting and have 10 minutes of fame at the end of the day. The child may choose to go outside for a game or have the class play a game inside. The class will also sing Happy Birthday to the student. Students with summer birthdays will have a chance to celebrate before the end of the school year. Please do not bring food treats to school on your child's birthday. Some families choose to bring in a small trinket for the classmates such as erasers, pencils, stickers, etc.
