

Welcome to Second Grade!

August 28, 2019

Dear Parents,

This "Take Home Folder" will be one of our most important tools for communication this year. I will send all homework, completed work, and classroom notices in this folder. Friday school-wide notices will also come home in this folder. You can ensure that I see your child's completed homework and important messages from you by sending them in this folder (ie. notices of a doctor's appointment, requests for a meeting or phone call, etc.)

Your child must bring this folder to and from school EVERY DAY! At school, s/he will place homework and notes to me in the classroom bin. I will look at these items as soon as possible each day. Please make a plan with your child for how s/he can be responsible for this folder each day.

Homework will start gradually in second grade. More details will come about homework at the Open House scheduled for Thursday, September 12 at 7:30 PM (classroom presentation).

PLEASE have your child wear/bring gym shoes to school every day. **Please have your child bring a water bottle and a district approved healthy snack to school everyday.** Our class website link is listed below. Feel free to browse this before the Open House <http://d90tanglao.weebly.com>. I look forward to having a great year with your child!

Mrs. Tanglao
